## **Reminder: 2014 Impact Surveys Due Monday, October 6**

In August, NRHC launched its 2014 Impact Survey to document the impact that rural housing organizations---and the USDA Rural Housing Programs they use---have had on rural families, communities, and economies.

To date, 21 organizations have participated in the survey. While this is a great start, we have a lot of work ahead of us. The last time we conducted this survey in 2012, over 100 organizations participated. We need your help to make this survey a success.

With your participation, you can help us continue to make the case for USDA Rural Housing programs on Capitol Hill. Please submit your survey by Monday, October 6th by emailing a completed version to [sarah@rapoza.org](mailto:sarah@rapoza.org).

Thank you for your support,

Sarah Mickelson
